WINE ADVOCATE

"The 2015 Bolgheri Superiore Grattamacco is big, bold and absolutely stunning. This blend of 65% Cabernet Sauvignon, 20% Merlot and 15% Sangiovese is dark and luscious, with overlapping melodies of tobacco, spice, dark fruit and grilled herb. There is so much depth and power. This vintage is a gem for your cellar, and the wine should award a long aging trajectory for those who have the patience to wait". ML

"Grattamacco's Bolgheri Superiore is another success story from this coastal region's 2015 harvest. A blend of cabernet sauvignon, merlot and sangiovese, it offers vibrant flavors of plum and blackberry laced with notes of licorice, tobacco and graphite. Smooth, ripe tannins and lively spice notes amp up the fruit, leaving a pulsating sensation on the finish. Cool, layered and elegant, it will be even better in five years."

"Complex cherry, currant, mineral, spice and tobacco aromas signal this serious version. Despite the ripe fruit flavors and sweet tones, this has grip and the potential for development. Hangs together nicely now, in a youthful phase. Shows terrific length."

"What a lovely nose that marries fresh elements of graphite, lead pencil, crushed violets and stones and riper notes of blackberry pie and blueberry cake. Full body, very polished tannins, an unmistakable serving of acidity and a long, mineral finish. A blend of cabernet sauvignon, merlot and sangiovese. Made from organically grown grapes. ICEA certified."
